Can you think of anything that you still have even after you give it to someone else? You will find some ideas in the word search. See if you can find one or two.

And to make our gifts grow,
We must give them (hay, toys, away)!

Matthew 25:14-29

November 15, 2020

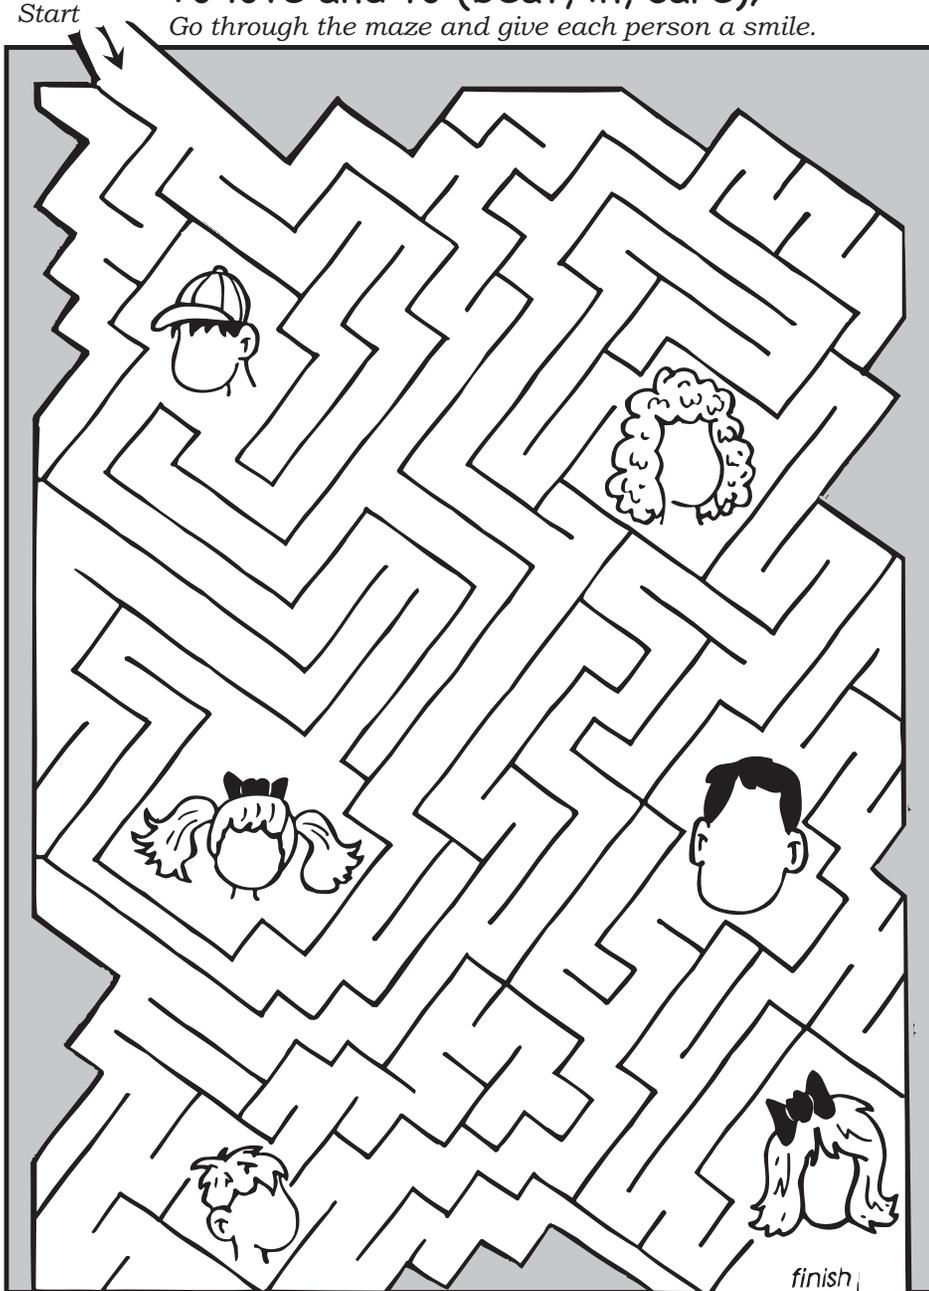

God gave me my hands,
God is so great;

Finish this picture.

God gave me my hands
to build and (hate, tickle, create).
Choose the right word.

God gave me a heart,
 To love and to (beat, in, care);
 Go through the maze and give each person a smile.

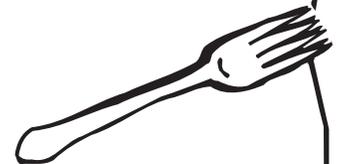

This is a gift
 God expects me to (keep, share, go)!

God gave me a brain,
 To think and to choose,

Match the things
 that go together.

This is a gift God
 Expects me to (lose, use, get)!
